I nominate _____
for recognition for the following reasons:

Memories to last a lifetime

You have placed your trust in highly trained medical providers and they have served you or your family in a selfless and caring way. What better way to thank them for their service than to recommend them for recognition as one of the hospital's finest.

Box Butte General Hospital honors an outstanding medical provider once each quarter. Selections are made from nominations received by YOU – our patients, our visitors and our employees.

If you have had a great experience with one of our medical providers, please consider them for recognition.

Say a little or say a lot. All words of gratitude are appreciated.

Please place nominations in the Provider of the Quarter boxes located throughout the facility.

Winning nominations will receive a prize!

Employees: 5 Catch the Wind points

Patients and Community Members: \$5 gift card.*

*Limited to one \$5 gift card per winning provider. If more than one nomination is received for the chosen provider, a drawing will be held to determine the winning nomination.

Name (Optional): _____
